1988 EDITORIAL INDEX

TITLE **MONTH**

AIR POLLUTION CONTROL

Changing Times in Software ..... Jan.
Environmental Software Review — 1988 ..... Jan.
The CHMM Exam ..... Feb.
Air Stripper Solves Aquifer Contamination for Electronics Co ..... Mar.
Low Cost, Low Technology Aeration of Radon in Drinking Water ..... Mar.
Advances in Package Treatment Systems ..... Mar.
Using a Computerized Spreadsheet: Part II — Cyclones ..... Mar.
Clean Air Standards Met with New Fume Incinerator ..... Apr.
Monitor Ammonia Nitrogen & Organic Nitrogen Safer & Faster ..... Apr.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Online in Record Time ..... May
Indoor Air Quality of Commercial Buildings ..... June
Measurement and Control of Toxic Air Pollutants ..... June
Toxic Air Pollution Update ..... June
Outstanding Air Quality/Energy Savings ..... July
Bioreclamation Saves Groundwater Supplies ..... July
Teflon Helps BMI Collect "Pure" Rainwater ..... July
New Scrubber Design is Efficient & Cost-Saving ..... July
Case Study of Soil Venting ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
VES Cleans Up Gasoline Leak ..... Aug.
PE 5-Star Award Competition ..... Aug.
Thermal Treatment Technologies for Hazardous Wastes ..... Aug.
Refinery Sludge Treatment Demo Successful ..... Sept.
99% Reliability with This Incineration System ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Environmental Audit and Property Liability Assessment ..... Sept.
PC VOC Calculation ..... Sept.
Air Stripper Decontaminates Methylene Chloride ..... Oct.
Incineration System Produces Steam for Sale & No Dioxins ..... Nov.
New Control Technology Proves Safe/Cost-Saving ..... Nov.
Scrubber Controls Toxic Fumes from Engraving Process ..... Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Burn or Not to Burn: The Hospitals' Modern-day Dilemma ..... Nov.
Incineration of Hospital Infectious Waste ..... Nov.
Health Risk Assessment of Chemical Exposure ..... Dec.
Winners of the 1988 PE 5-Star Award ..... Dec.

COMPUTERS & SOFTWARE

Surge Control System Aids in Groundwater Reclamation ..... Jan.
Changing Times in Software ..... Jan.
Environmental Software Review — 1988 ..... Jan.
Computer Statistics for Environmental Engineers ..... Jan.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems ..... Feb.
The CHMM Exam ..... Feb.
Advances in Package Treatment Systems ..... Mar.
City of 900 Has Software to Do It All ..... Mar.
Using a Computerized Spreadsheet: Part II — Cyclones ..... Mar.
Six El Paso Treatment Plants Built/Renovated ..... Apr.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Toxicity Reduction at Toms River ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
The Great American Garbage Dilemma ..... Aug.
PE 5-Star Award Competition ..... Aug.
New Underwater Inspection Saves Time and Money ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Environmental Audit and Property Liability Assessment ..... Sept.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Health Risk Assessment of Chemical Exposure ..... Dec.
Winners of the 1988 PE 5-Star Award ..... Dec.

GROUNDWATER

Surge Control System Aids in Groundwater Reclamation ..... Jan.
Changing Times in Software ..... Jan.
Environmental Software Review — 1988 ..... Jan.
Biodegradable Slurry Trench Installed ..... Jan.
Computer Statistics for Environmental Engineers ..... Jan.
New Liner Pipe Reduces Sewage Treatment Bills ..... Jan.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems ..... Feb.
Evaluating Absorbent Materials ..... Feb.
The CHMM Exam ..... Feb.
Air Stripper Solves Aquifer Contamination for Electronics Co ..... Mar.
Sealed Monitoring Wells Detect Groundwater Contamination ..... Mar.
Low Cost, Low Technology Aeration of Radon in Drinking Water ..... Mar.
Advances in Package Treatment Systems ..... Mar.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Liability Insurance Risk Management ..... Apr.
Sludge Handling Plant Dries 1 MGD with Aid of Auger Tractor ..... June
Managing PCB Spills ..... June
First Alaskan Landfill Completed ..... June
Nature Conservancies Saved with Help from Utilities ..... July
Bioreclamation Saves Groundwater Supplies ..... July
Teflon Helps BMI Collect "Pure" Rainwater ..... July
Polymer Remover Proves Safe for Surfaces ..... July
Case Study of Soil Venting ..... July
Closure of Surface Impoundments ..... July
Special Report: Underground Storage Tanks ..... July
Critical Evaluation of EPA's UST Testing Apparatus ..... July
Liner Materials for Waste Containment ..... July
Groundwater Contaminant Plume Capture Thru Blasting ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
Geo Composite Line Protects Tank Farm ..... Aug.
Fiberglass Lining Moves Waste Storage Out of the Pits ..... Aug.
VES Cleans Up Gasoline Leak ..... Aug.
Solidifiers for Hazardous Waste Disposal ..... Aug.
PE 5-Star Award Competition ..... Aug.
Thermal Treatment Technologies for Hazardous Wastes ..... Aug.
Superfund Cleanup of Oil/Solvent Storage Facility ..... Sept.
Largest Wastewater Facility Lined with Gundline HD ..... Sept.
Chemical Terminal Treats Surface Runoff with Carbon ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Environmental Audit and Property Liability Assessment ..... Sept.
How a Hazardous Landfill Was Rendered Out of Commission ..... Oct.
Air Stripper Decontaminates Methylene Chloride ..... Oct.
Launch Pad 39B Containment Liner ..... Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Special Report: Hazardous Material and Sludge Treatment ..... Dec.
Health Risk Assessment of Chemical Exposure ..... Dec.

HAZARDOUS MATERIALS & WASTES

Surge Control System Aids in Groundwater Reclamation..... Jan.
Changing Times in Software..... Jan.
Environmental Software Review — 1988..... Jan.
Biodegradable Slurry Trench Installed ..... Jan.
Computer Statistics for Environmental Engineers..... Jan.
New Low-Cost Wastewater Recovery Process..... Feb.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems..... Feb.
Toxicity Reduction in Industrial Wastewater Discharges ..... Feb.
Evaluating Absorbent Materials ..... Feb.
The CHMM Exam..... Feb.
Air Stripper Solves Aquifer Contamination for Electronics Co..... Mar.
Sealed Monitoring Wells Detect Groundwater Contamination Mar.
Low Cost, Low Technology Aeration of Radon in Drinking Water ..... Mar.
Advances in Package Treatment Systems..... Mar.
Canmaker Applies Ultrafilter to Meet Future Compliance ... Mar.
OCPSF Effluent Limits, Pretreatment, and NSPS..... Mar.
City of 900 Has Software to Do It All ..... Mar.
Six El Paso Treatment Plants Built/Renovated..... Apr.
Lab Uses ICP for Improved Analysis ..... Apr.
Monitor Ammonia Nitrogen & Organic Nitrogen Safer & Faster..... Apr.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security..... Apr.
Mobile Haz Waste Treatment Technologies..... Apr.
Liability Insurance Risk Management ..... Apr.
Pipeline Strainers: A Tool for Pollution Control..... Apr.
Online in Record Time ..... May
Truck Washing Facility Solves Toxicity Problem ..... May
New Method Detects/Measures Aromatic Compounds in Water ..... June
Managing PCB Spills ..... June
Indoor Air Quality of Commercial Buildings ..... June
First Alaskan Landfill Completed..... June
Measurement and Control of Toxic Air Pollutants ..... June
Toxic Air Pollution Update..... June
Nature Conservancies Saved with Help from Utilities ..... July
Bioreclamation Saves Groundwater Supplies..... July
Polymer Remover Proves Safe for Surfaces ..... July
New Scrubber Design is Efficient & Cost-Saving ..... July
Case Study of Soil Venting ..... July
Closure of Surface Impoundments..... July
Special Report: Underground Storage Tanks ..... July
Critical Evaluation of EPA's UST Testing Apparatus..... July

Groundwater Contaminant Plume Capture Thru Blasting..... July
Toxicity Reduction at Toms River ..... July
Bioremediation Feasibility Studies for Haz Waste..... July
The Great American Garbage Dilemma ..... Aug.
Geo Composite Line Protects Tank Farm ..... Aug.
Fiberglass Lining Moves Waste Storage Out of the Pits..... Aug.
VES Cleans Up Gasoline Leak..... Aug.
Solidifiers for Hazardous Waste Disposal..... Aug.
PE 5-Star Award Competition..... Aug.
Thermal Treatment Technologies for Hazardous Wastes..... Aug.
Refinery Sludge Treatment Demo Successful..... Sept.
Fibre Drums Cut Disposal Costs and Eliminates Liability... Sept.
Superfund Cleanup of Oil/Solvent Storage Facility..... Sept.
Largest Wastewater Facility Lined with Gundline HD ..... Sept.
99% Reliability with This Incineration System ..... Sept.
Systems for Hazardous Wastewater Management..... Sept.
Chemical Terminal Treats Surface Runoff with Carbon ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Safe Remote Control Dredging..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Waste Stream Detoxified with Immobilized Microbe System. Sept.
Environmental Audit and Property Liability Assessment .... Sept.
Critical Fluid Extraction Treatment of Organic Wastewater.. Sept.
PC VOC Calculation ..... Sept.
FRP System Battling Pollution of Beaches Down Under ..... Oct.
Dye Manufacturer Retrofits Treatment with Powdered Carbon..... Oct.
How a Hazardous Landfill Was Rendered Out of Commission Oct.
Air Stripper Decontaminates Methylene Chloride ..... Oct.
Incineration System Produces Steam for Sale & No Dioxins . Nov.
New Control Technology Proves Safe/Cost-Saving ..... Nov.
Launch Pad 39B Containment Liner ..... Nov.
Scrubber Controls Toxic Fumes from Engraving Process.... Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water..... Nov.
Burn or Not to Burn: The Hospitals' Modern-day Dilemma . Nov.
Incineration of Hospital Infectious Waste ..... Nov.
Effluent Monitoring for Oil in Water..... Nov.
Special Report: Hazardous Material and Sludge Treatment .. Dec.
Land Application of Wastewater Sludges..... Dec.
Health Risk Assessment of Chemical Exposure ..... Dec.
Centrifuge Wins Sludge Dewatering Cost Study..... Dec.
Winners of the 1988 PE 5-Star Award ..... Dec.
EPA's SITE Solidification Tests..... Dec.
Insurance & Underground Storage Tanks ..... Dec.

INCINERATION

Environmental Software Review — 1988..... Jan.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems..... Feb.
The CHMM Exam..... Feb.
Advances in Package Treatment Systems..... Mar.
City of 900 Has Software to Do It All ..... Mar.
Clean Air Standards Met with New Fume Incinerator ..... Apr.

INSTRUMENTATION

Environmental Software Review — 1988 ..... Jan.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems ..... Feb.
Toxicity Reduction in Industrial Wastewater Discharges ..... Feb.
The CHMM Exam ..... Feb.
Sealed Monitoring Wells Detect Groundwater Contamination Mar.
Advances in Package Treatment Systems ..... Mar.
OCPSF Effluent Limits, Pretreatment, and NSPS ..... Mar.
City of 900 Has Software to Do It All ..... Mar.
Clean Air Standards Met with New Fume Incinerator ..... Apr.
Six El Paso Treatment Plants Built/Renovated ..... Apr.
Lab Uses ICP for Improved Analysis ..... Apr.
Monitor Ammonia Nitrogen & Organic Nitrogen Safer & Faster ..... Apr.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Liability Insurance Risk Management ..... Apr.
New Method Detects/Measures Aromatic Compounds in Water ..... June
Measurement and Control of Toxic Air Pollutants ..... June
Nature Conservancies Saved with Help from Utilities ..... July
Outstanding Air Quality/Energy Savings ..... July
Bioreclamation Saves Groundwater Supplies ..... July
New Scrubber Design is Efficient & Cost-Saving ..... July
Case Study of Soil Venting ..... July
Closure of Surface Impoundments ..... July
Critical Evaluation of EPA's UST Testing Apparatus ..... July
Toxicity Reduction at Toms River ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
The Great American Garbage Dilemma ..... Aug.
PE 5-Star Award Competition ..... Aug.
Thermal Treatment Technologies for Hazardous Wastes ..... Aug.
New Underwater Inspection Saves Time and Money ..... Sept.
Refinery Sludge Treatment Demo Successful ..... Sept.
Microorganisms Cut WWTP Cost and Improve Performance Sept.
Superfund Cleanup of Oil/Solvent Storage Facility ..... Sept.
99% Reliability with This Incineration System ..... Sept.
Systems for Hazardous Wastewater Management ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Waste Stream Detoxified with Immobilized Microbe System. Sept.
County Takes Initiative in Repump Station Design ..... Sept.
Environmental Audit and Property Liability Assessment .... Sept.
Critical Fluid Extraction Treatment of Organic Wastewater .. Sept.
PC VOC Calculation ..... Sept.
Air Stripper Decontaminates Methylene Chloride ..... Oct.
Incineration System Produces Steam for Sale & No Dioxins . Nov.
Sensor Provides Critical Accuracy at Wastewater Plant ..... Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Burn or Not to Burn: The Hospitals' Modern-day Dilemma . Nov.
Incineration of Hospital Infectious Waste ..... Nov.
Effluent Monitoring for Oil in Water ..... Nov.
Special Report: Hazardous Material and Sludge Treatment .. Dec.
Health Risk Assessment of Chemical Exposure ..... Dec.
Winners of the 1988 PE 5-Star Award ..... Dec.
EPA's SITE Solidification Tests ..... Dec.
Insurance & Underground Storage Tanks ..... Dec.

PUMPS, VALVES & PIPE

Environmental Software Review — 1988 ..... Jan.
New Liner Pipe Reduces Sewage Treatment Bills ..... Jan.
New Low-Cost Wastewater Recovery Process ..... Feb.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems ..... Feb.
Toxicity Reduction in Industrial Wastewater Discharges ..... Feb.
Plastic Valves Help Cut Costs & Downtime ..... Mar.
Air Stripper Solves Aquifer Contamination for Electronics Co ..... Mar.
Pipe Sections "Float" into Place ..... Mar.
Vitrified Clay Pipe Selected in Expansion of Industrial Park . Mar.
Sealed Monitoring Wells Detect Groundwater Contamination Mar.
Low Cost, Low Technology Aeration of Radon in Drinking Water ..... Mar.
Advances in Package Treatment Systems ..... Mar.
Canmaker Applies Ultrafilter to Meet Future Compliance ... Mar.
OCPSF Effluent Limits, Pretreatment, and NSPS ..... Mar.
Intrachannel Clarifier Solves Problems for Smaller Cities ... Mar.
City of 900 Has Software to Do It All ..... Mar.
Six El Paso Treatment Plants Built/Renovated ..... Apr.
Monitor Ammonia Nitrogen & Organic Nitrogen Safer & Faster ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Pipeline Strainers: A Tool for Pollution Control ..... Apr.
Truck Washing Facility Solves Toxicity Problem ..... May
Underground Studies Save Money in Street Restoration ..... May
Nature Conservancies Saved with Help from Utilities ..... July
Bioreclamation Saves Groundwater Supplies ..... July
New Scrubber Design is Efficient & Cost-Saving ..... July
Closure of Surface Impoundments ..... July
Critical Evaluation of EPA's UST Testing Apparatus ..... July
Toxicity Reduction at Toms River ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
VES Cleans Up Gasoline Leak ..... Aug.
Thermal Treatment Technologies for Hazardous Wastes ..... Aug.
Refinery Sludge Treatment Demo Successful ..... Sept.
Microorganisms Cut WWTP Cost and Improve Performance Sept.
Superfund Cleanup of Oil/Solvent Storage Facility ..... Sept.
Systems for Hazardous Wastewater Management ..... Sept.
Chemical Terminal Treats Surface Runoff with Carbon ..... Sept.
Safe Remote Control Dredging ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Waste Stream Detoxified with Immobilized Microbe System. Sept.
County Takes Initiative in Repump Station Design ..... Sept.
Environmental Audit and Property Liability Assessment .... Sept.
Critical Fluid Extraction Treatment of Organic Wastewater .. Sept.
FRP System Battling Pollution of Beaches Down Under ..... Oct.
Dye Manufacturer Retrofits Treatment with Powdered Carbon ..... Oct.
Continuous Path Conveyor Part of Sludge Dewatering Facility Oct.
How a Hazardous Landfill Was Rendered Out of Commission Oct.
Air Stripper Decontaminates Methylene Chloride ..... Oct.
Incineration System Produces Steam for Sale & No Dioxins . Nov.
Sensor Provides Critical Accuracy at Wastewater Plant ..... Nov.
Launch Pad 39B Containment Liner ..... Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Effluent Monitoring for Oil in Water ..... Nov.
Special Report: Hazardous Material and Sludge Treatment .. Dec.
Land Application of Wastewater Sludges ..... Dec.
Centrifuge Wins Sludge Dewatering Cost Study ..... Dec.
Winners of the 1988 PE 5-Star Award ..... Dec.
EPA's SITE Solidification Tests ..... Dec.

Insurance & Underground Storage Tanks ..... Dec.

SAFETY & INDUSTRIAL HYGIENE

Changing Times in Software ..... Jan.
Environmental Software Review — 1988 ..... Jan.
Release Prevention, Control and Countermeasure Plans ..... Feb.
Haz Waste Treatment and Recovery Systems ..... Feb.
Toxicity Reduction in Industrial Wastewater Discharges ..... Feb.
Evaluating Absorbent Materials ..... Feb.
The CHMM Exam ..... Feb.
Low Cost, Low Technology Aeration of Radon in Drinking Water ..... Mar.
Advances in Package Treatment Systems ..... Mar.
City of 900 Has Software to Do It All ..... Mar.
Six El Paso Treatment Plants Built/Renovated ..... Apr.
Monitor Ammonia Nitrogen & Organic Nitrogen Safer & Faster ..... Apr.
Danbury's SARA Success Story ..... Apr.
New Strategies for Haz Waste Treatment and Disposal ..... Apr.
Terrorism and Environmental Security ..... Apr.
Mobile Haz Waste Treatment Technologies ..... Apr.
Liability Insurance Risk Management ..... Apr.
Indoor Air Quality of Commercial Buildings ..... June
Measurement and Control of Toxic Air Pollutants ..... June
Outstanding Air Quality/Energy Savings ..... July
Case Study of Soil Venting ..... July
Closure of Surface Impoundments ..... July
Groundwater Contaminant Plume Capture Thru Blasting ..... July
Toxicity Reduction at Toms River ..... July
Bioremediation Feasibility Studies for Haz Waste ..... July
The Great American Garbage Dilemma ..... Aug.
VES Cleans Up Gasoline Leak ..... Aug.
PE 5-Star Award Competition ..... Aug.
Thermal Treatment Technologies for Hazardous Wastes ..... Aug.
Fibre Drums Cut Disposal Costs and Eliminates Liability ... Sept.
Superfund Cleanup of Oil/Solvent Storage Facility ..... Sept.
Security of Computerized Environmental Data ..... Sept.
Real Estate Transaction Environmental Considerations ..... Sept.
Using PLC to Test Incinerator Emergency Shutdown ..... Sept.
Environmental Audit and Property Liability Assessment .... Sept.
Critical Fluid Extraction Treatment of Organic Wastewater .. Sept.
FRP System Battling Pollution of Beaches Down Under ..... Oct.
Incineration System Produces Steam for Sale & No Dioxins . Nov.
Security of Hazardous Materials and Facilities ..... Nov.
Special Report: Measurement of Toxic Air and Water ..... Nov.
Burn or Not to Burn: The Hospitals' Modern-Day Dilemma . Nov.
Incineration of Hospital Infectious Waste ..... Nov.
Special Report: Hazardous Material and Sludge Treatment .. Dec.
Health Risk Assessment of Chemical Exposure ..... Dec.
